Rotary

In 2016-17, our Rotary Foundation turns 100. That's a century of Rotary members changing lives and improving communities all over the world. And that's definitely something worth celebrating.

Through our Foundation, Rotary members have supported thousands of projects to provide clean water, fight disease, promote peace, provide basic education, and grow local economies. We've also been a leader in the fight to eradicate polio worldwide.

The centennial is the perfect time to share this impressive record with the world. Join us in making sure that every Rotary member and people in every community know about the vital work of Rotary and its Foundation.

Welcome to the first meeting of the new Rotary year! Our guest speaker is District Governor Elect for 2017 - 2018, Nalani Flinn.

Nalani is a retired credit union executive, who renewed her commitment to service above self in April 1996, when she joined the Waianae Coast Rotary Club. During a 40-year career in the credit union industry, she played an increasingly significant role in improving her community through helping families secure loans to buy cars, start businesses, improve homes and pay for their children's education.

Since her retirement in July 2007, she has been approaching with a sense of urgency a passion to promote the importance of literacy in her community as a volunteer with the nonprofit organization Reading is Fundamental, which enlisted her help to read regularly to elementary-school students in Waianae. As a member of the Waianae Coast Rotary Club, she has served two one-year terms as president; in 1999 and again in 2003. She has also been an Assistant District Governor for five years, starting in 2004.

Welcome Nalani!

THE COFFEE PRESS

Aloha Kona Sunrise members and readers.

As we begin the 2016 -2017 Rotary year I am reminded of my 39 years as an educator and what it was like to begin a new school year, anxious to make the start the best ever. We all begin the year with our Rotary hats, some new and for many they are well worn. Our Rotary hats are only part of our many hats and change as demands on our time increase. My wish for all of us will be to embrace "Rotary Serving Humanity" in meaningful ways, finding places in our busy lives to engage our "little club that can" through projects and weekly meetings, and all the while having fun through fellowship and "Service above Self".

VOTE ON BY LAW CHANGE WILL TAKE PLACE AT TODAY'S MEETING

The Board of Directors recently approved an amendment to the club By-Laws regarding the start time of our regular meetings. This notice was sent out to each member as required, and the vote to make this change will take place at today's meeting.

The amendment is to change our current regular meetings start time from 6:45 a.m. to 7:00 a.m.

If you want to be sure that your vote is counted, please be in attendance at the meeting.

Article 18 Amendments

These bylaws may be amended at any regular meeting, a quorum being present, by a two-thirds vote of all members present, provided that notice of such proposed amendment shall have been mailed to each member at least ten (10) days before such meeting. No amendment or addition to these bylaws can be made which is not in harmony with the standard Rotary club constitution and with the constitution and bylaws of RI.
