Aloha All,

Getting the house paint ready this week so it will be super for this coming weekend. Going to Home Depot today for paint with Jeremy. The baseboards and window sills will be all scrubbed as of tonight thanks to Gabriella and her wonderful cleaning team. We still need an amazing team (1-2 Or 3 People) for kitchen cabinet and all kitchen areas scrub. Whatever we can add to the work going on today.

The master bath is a major repair job that we still have our fingers crossed that Starbird Construction (Peter) will take on. This would leave the rest of the house and outside for us. The drywall repair on the back lanai is not big but will take talent. Peter?

YEAH yard crew!!! It looks amazing. I have several trash cans of aged horse poop that can go over there anytime. Or I can load a truck with my tractor. This is nice an aged and can be tossed in all the beds.

Again, thank you all so much. Megumi is so grateful for all this wave of love and support. She sends her mahalos to everyone.

Ann

A work day is scheduled for November 5th. Anyone who can come that day to help please let Ann know.

THIS WEEK: Domestic Abuse Shelter

For the past several years, the Rotary Club of Kona Sunrise has been supporting our local Domestic Abuse Shelter in various ways. Most notable was the major renovation to the facility that was done in October of 2014, with the help of the other West Hawai'i Rotary Clubs.

We have also held an annual collection day in front of our local Walmart store, to collect much needed supplies for the shelter - such as paper towels, toilet paper, sheets, towels, pillows etc.

In October of 2015, our own Dr. Kopp received the Purple Ribbon Awareness Award in recognition of his commitment to the work of the shelter. Come to the meeting today to hear

about how our efforts have made a difference to the shelter and it's residents.

Celebrate Rotary Foundation Month

KALYAN BANERJEE, TRUSTEE CHAIR 2016-17
NOVEMBER 2016

Back in 1956, the Rotary International Board of Directors designated a week in November urging all clubs “to devote a program to The Rotary Foundation.” In 1982, the Board determined that the entire month of November should be dedicated to the Foundation.

Since then our Foundation has grown and flourished in ways that few Rotarians could have imagined. In 1985, Rotary took on its first corporate project – a bold campaign to immunize the world’s children against polio and create a polio-free world.

Our humanitarian programs grew so rapidly that the Foundation could not process the volume of requests for grants efficiently. That led to the creation of a new grant model that supports global grants with greater and longer-lasting impact and district grants which fund small-scale, short-term activities. And we fulfilled Rotarians’ long-held dream for a “peace university” with the launch of the Rotary Peace Centers.

Rotarian financial support has skyrocketed as well. In 1982-83, contributions barely totaled \$19 million. Compare that with 2015-16, when the figure jumped to \$265.6 million.

This November, we’ll celebrate not just Foundation Month, but also The Rotary Foundation’s centennial. The Rotary website offers many creative ideas for honoring this very special occasion, but there are three activities that I especially recommend.

The first is to hold an event for the entire community that spotlights the Foundation’s 100 years of Doing Good in the World. Second, plan and sponsor a project that addresses a critical problem. It could be done from locally raised funds, or you might seek a global grant. There are so many options to choose from – from providing clean water, to ensuring basic education for girls in every part of the world, to tackling malaria or HIV/AIDS or any number of preventable diseases.

The third activity I recommend is for every Rotarian to make a centennial donation. Let’s never forget that The Rotary Foundation belongs to all of us. You and I provide the funding for just about every bit of good that our Foundation is doing in the world – and has been doing for an entire century.

Let’s make sure we continue that tradition for the next 100 years.
