This week: Hawaii Community Caregiver Network

March 5, 2018

*"You have either been a caregiver,
You are a caregiver,
You will be a caregiver,
Or someone will care for you."*

Rosalynn Carter

Our guest speaker this week will be Roberta Wong, Director, Hawaii Community Caregiver Network.

Hawaii Community

Caregiver Network (HCCN) was formed in 1995 to support family caregivers in West Hawaii and help them stay healthy in body and spirit. We envision a community in which caregivers are valued for their contributions (and receive social, educational, economic, and emotional support) and where the care

receiver is able to live life meaningfully, with dignity and self-worth.

Roberta will be sharing with us information about the network, and the types of activities and programs that are available to caregivers.

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business professional persons united in the ideal of service.

ICYMI/CLUB NEWS

On a sad note, President KC Mahoney has taken a leave of absence from the club due to health issues that her husband is dealing with. Please continue to keep them in your thoughts and

prayers. The Board will be meeting next week to ensure that the club continues with all that lays ahead.

Last week several of our

TICKETS ARE PRINTED AND WILL BE DISTRIBUTED AT THE REGULAR MEETING THIS WEEK!

The club will be having our first KTA/Kona Sunrise Rotary Teri Beef Plate fundraiser on **SUNDAY APRIL 8**, in the parking lot of the Kailua Kona KTA Store.

But don't wait until then! We

need to pre-sell as many tickets as possible (500 tickets have been printed), so each member is being asked to sell at least 10 tickets each.

These tickets should be any easy sell - or you can buy a few to give away to friends and families - or maybe some of your employees to recognize their hard work.

Help will be needed the day

of the sale as well, so please mark your calendar now. Even an hour of your time would be helpful.

Thanks to the members that have already put it quite a bit of time to ensure it will be successful.

Your help is appreciated and needed!

club members, and three guests, joined together for a tour of the Palamanui Campus of Hawai'i Community College. Carrie Kuwada Phipps, Educational Specialist for Distance Learning, shared with us wonderful information about the campus - it's programs, facilities, joys and challenges.

PP Dennis presented our club banner to Carrie in appreciation of the tour.

Mark your calendars now for **Saturday March 24th**. 2018-2019 Assistant Governors Randy Hart and Alan Clark have agreed to co-host our Hawaii Island Club and District Training at Kamehameha Schools Keeau campus on March 24th from 8:30 AM to 2:30 PM. Rotary education programs

will be based on learning tracks appropriate for all levels of Rotary experience from Club Leaders and Administrators to new members. If there are several of members going, perhaps we could car pool together.

President Elect Nestorio Domingo attended PETS this past weekend - I'm sure he will have lots to share with us on Wednesday!

March is Water and Sanitation Month

Clean water and sanitation is a human right. When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives.

We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school. And they can take those lessons home to their families, expanding our impact.

HOW ROTARY MAKES HELP HAPPEN

Rotary has issued a global challenge to its members, asking them to work collectively to improve education quality and access — particularly for girls — by working with communities to improve teacher training, curriculum, and water, sanitation, and hygiene facilities.

THE POWER OF CLEAN WATER

The Rotary Foundation is changing the world by providing grants for projects and activities around the globe and in your own backyard:

Strengthen the ability of communities to develop, fund, and maintain sustainable water and sanitation systems.

Provide equitable community access to safe water, improved sanitation, and hygiene.

Support programs that enhance communities' awareness of the benefits of safe water, sanitation, and hygiene.

Support career-minded professionals' studies related to water and sanitation.

Create tools and resources that facilitate, measure, and enhance high-quality water and sanitation projects worldwide
